1. How do I apply for a Fresh application?

Log in to the [NSP Application](#) form. Then navigate to “My Applications” section and select the “Apply Fresh” option. The guidelines for completing applications on NSP for the Academic Year (AY) 2026–27 will appear on the screen. Tick the required checkboxes and click on “I Agree”. After this, the student can proceed with submitting a fresh application.

2. How do I change my Domicile State?

If you have already applied for an application, then you will not be able to change your domicile state unless you withdraw your application. Please note all of your applications (Scholarship/ incentive) must be withdrawn. If you have even one active application, you will not be able to change your Domicile state.

To know how to withdraw an application, please refer to [Section 4](#) of this document.

3. How can I withdraw my application?

After submitting an application, navigate to the “My Applications” section. From there, select the “Withdraw Application” option available on the left panel. Enter the required details (Application ID, Applicant name and withdrawal remark) and click on “Withdraw”.

4. When can I withdraw my application?

You can withdraw your application at any time during the application process. Please note that you will not be able to withdraw your application if any of the following conditions are met –

- a. If the application has been approved by L2 (Nodal officer)
- b. If the scholarship payment has been released.

5. Can I enable my application again after withdrawing?

Yes, you can enable your application again after withdrawing. To do so, go to ‘My Applications’ page and click on the ‘Revoke Application’ button for the desired application.

Please note that you cannot revoke your scholarship application if you fail the following conditions:

- a. You already have an active scholarship application and want to revoke another scholarship application.
- b. If the domicile state of the withdrawn application is different from your current active application (if any).

To know how to revoke an application, please refer to Section of this document.

6. How can I change my Scholarship Category once my application is submitted?

You cannot change your scholarship category once your application is submitted. To change your scholarship category, you will have to withdraw your incorrect application and apply again with 'Apply Fresh' for a new application.

7. How can I apply for multiple scholarships?

You can apply for one Merit based scheme and one or more Welfare based schemes from Academic Year (AY) 2026-27. Please note that the basic information details (e.g. General Information, Academic Details) provided in the initial application submission will be used in all the subsequent applications and cannot be modified later.

Further, for any additional application(s) within the same AY, you will only need to provide:

- a. Scheme selection (excluding schemes already availed / applied for),
- b. Scheme-specific information, and
- c. Upload of scheme-related supporting documents.

8. How can I apply for multiple incentives?

You can apply for one or more incentives from the 'Apply Fresh' page. Click on 'Apply Fresh' and select 'Incentive' from the Application Type dropdown menu. There is no limit to the number of incentives you can apply for.

9. How can I update my application if it has been marked as defective?

Under the defective application status, the student is allowed to update only scheme-specific details. To modify other information (such as general details, academic details, institute, or course), the student must first withdraw all submitted applications and then reapply with the corrected details.

Additionally, defective applications can be updated only if the L1 verification window is open.

10. How do I refresh my contact information?

You can update your contact information (i.e., Mobile Number, Email ID) via the **My Profile** section. Please note that contact details cannot be edited directly on the NSP Application Form. Instead, you must update your contact details on OTR (One-Time Registration) and then refresh the updated information into the NSP Application Form. Follow these steps to refresh your contact information:

- f. Click on the Update button to refresh the details as per OTR.

Note – You can update your parent's/ guardian's details from OTR only before submitting your application. If the application is already submitted and you need to update your details, you must withdraw the application and submit a fresh one provided scheme date is still open.

13. How do I link my renewal application with my new OTR?

NOTE: Link your renewal application in the following situations:

- You have registered your previous academic year's application ID using your parent/ guardian's Aadhaar and received an OTR/ Reference number from NSP via SMS/ Email.
- You have generated a new OTR using your own Aadhaar number, but the previous year's application is not listed in the new OTR.

To link your renewal application with your profile, ensure the following conditions are met:

- a. **No active new scholarship application exists:** If you have applied for a new scholarship, please withdraw it before linking the renewal application ID.
- b. The **name, gender, and date of birth** on the new OTR must match the details on the previous academic year's application ID.
- c. **OTP-based eKYC** will be conducted on the mobile number linked to the Aadhaar of your parent/guardian (as provided in the previous academic year's application ID).

Once these conditions are met, follow these steps to link your renewal application:

- a. Login to the NSP.
- b. Click on Link Renewal Application from Navigation menu.
- c. Enter your Renewal Application ID which you want to link.
- d. Click on the Submit button.
